MILWAUKEE. WIS. March 7.—A. After plunging along again for a controversy similar to the one which was caused by the fouling of Johnny Ertle by "Skid" Williams at St. Foul, last season, has appure up in the match recently held in Ohio, between "Kid" Graves, claimant of the wellerweight title and Eddle Moha, the Milwaukee welterweight. These two boys were matched at Dayton, O., to go 12 rounds—no decision. After bartling along practically all the way, Graves was disconding the New York have not contact, and it is clarge being that he had fouled Eddle Moha. The case will man and Ertle, insert from that the referre has admitted that he gave the decision to Moha on a foul. At least, the papers have quoted him to that offect; while in the St. Paul match the referre came out with a statement afterwards, declaring that he had rendered no decision whitever, for he could not do so If he wanted 10, under the state law.

Eddie Moha is now claiming the welterweight title from Graves and he had must be much right, if not more, to do as Ertle had to claim the title of "Kid" Williams.
